**INVITATION FOR BID GSA-013-17
PHOTOVOLTAIC SYSTEM**

Questions received from PolyPhase System 12/27/16 & 12/30/16

Question 1:

Request for short time extension on the submittal date for IFB GSA-013-17 due to holiday season.

Response: Refer to "Amendment 1" (attached)

Question 2:

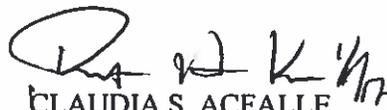

Will the training for item no. 1.1 and 2.1 be held at the Guam Energy Office, or will it be at the vendor's facility?

Response: The training must be held at a facility that has proper audio & video equipment, suitable seating for up to 30 students, troubleshooting & maintenance tools for PV systems, existing photovoltaic system on site to be used during hands-on labs.

Question 3:

For Item 1.1 under specifications, may you kindly clarify the specific type of license certification the Guam Energy Office is requesting training for, is it the NABCEP PV Installation Professional Certification, PV Technical Sales Certification, or NABCEP Solar Heating Installer Certification?

Response: Accredited Clean Energy Training Provider; Registered Provider for the NABCEP PV and Solar Heating Entry Level Exams; IREC Accredited/Certified Trainers; NABCEP Certified Solar PV Installers-Trainers; Training needs to count towards NABCEP educational hours for participants.
