**INVITATION FOR BID GSA-139-15
60 Month Lease Agreement Multifunctional
Copier/Printer/Scanner/Fax**

Questions submitted by AllStar Quality Business System dated September 25, 2015

Question 1:

The revised bid specifications indicated "Must be able to print from the AS400". What version of IBM AS/400 is being used at DLM? Is the AS/400 compatible with PCL and Postscript Printing?

Please provide detailed configuration report of the current AS/400 installed at DLM as this will give all the vendors detailed information on what type of AS/400 is installed at DLM and will help vendors to make necessary add-ons to the copier to make it print to AS/400?

Response: The AS400 is also known as the IBM Power 740 8205-E6D. The current operation system is V7R1M0, and is capable of printing both PCL and Postscript.

A handwritten signature in blue ink, appearing to read 'Claudia S. Acfalle' with a date '10/14' written to the right.
