Questions submitted by Morrico Equipment dated April 25, 2017

Inquiry 1 Required delivery date: 150 Days upon receipt of purchase order
Morrico Equipment LLC request for 200 days for delivery based on the current lead time provided by our manufacturers.

Response: Please refer to amendment #1

Inquiry 2 Engine: 74 HP minimum, Diesel Engine Tier 3
Can you please confirm that a tier 4 final diesel engine, as currently installed by our manufacturer is also an acceptable engine option?

Response: Tier 4 is not acceptable

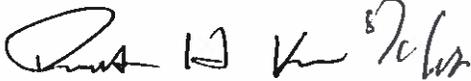

Inquiry 3 Gauges: Volt Meter
Our manufacturer currently does not install a volt meter, can this specifications be deleted from the requirement.

Response: Please refer to amendment #1

Inquiry 4 Accessories: Electronic Rust Prevention System
Can you please confirm that instead of an electronic rust prevention system, a rust preventative permanent coating is an acceptable substitute?
See attached brochure for POR 15 Rust Preventive Permanent Coating for your reference.

Our manufacturer currently does not install a volt meter, can this specifications be deleted from the requirement.

Response: Substitution will not be acceptable.
