INVITATION FOR BID GSA-053-17
PARTS, MATERIALS, & SUPPLIES
FOR SCHOOL BUS REPAIR(S)

Questions received from Mid Pac Far East (MPFE) 07/06/17

Question: 1

On behalf of Mid Pac Far East, LLC (MPFE) I would like to address tow (2) concerns with bid packet 053-17 in regards to Brochures and Descriptive Literature being a requirement for respective bid. I would like to request that the brochures and literature be only on required for the tools and specialty equipment, oil, coolant, transmissions, ATF fluid. The parts for the buses be exempted from this requirement due to the fact that it's impossible to acquire this type of information regarding parts from OEM "Original Equipment Manufacturer".

Response: Brochures/Descriptive Literatures will remain status quo. Refer to "Amendment 1" (attached)
Parts offered "or equal".

Question: 2

MPFE, would like to request an extension on bid opening date to July 27, 2017 @2:00pm due to the fact the required parts list is extremely large and will take the suppliers longer to accurately ensure parts are quoted correctly based off information provided. Some of the required parts requirements have part numbers provided and some do not which will need research.

Response: Refer to "Amendment 1"
