INVITATION FOR BID GSA-058-17
PHARMACEUTICAL SUPPLIES

Questions received from Medpharm 07/14/17

Question: 1

I'm afraid that two weeks will not be enough as your requirements are very high. It will take much time to prepare a proper estimation of the work. As a result, it is not possible for us to prepare a best competitive offer within the time specified on your bid opening date.

Under the above circumstance, we would like to request your good office for an extension of time for tender submission on August 18, 2017. We hope you would grant our request in order to ensure fair participation of all bidders.

Response: See attached "Amendment 1"

I am writing to ask your good office for an extension in connection with the delivery requirement. May we request for the delivery time to be changed from 30 days to 30-45 days upon receipt of purchase order. As some of the items have to be shipped via ocean (i.e., hazmat items or needs to be ordered in bulk).

Lastly, we would like to note that line items (#189 & 274) both are showing pulse oximeters and would like to verify if we need to quote for both are showing pulse oximeters and would to verify if we need to quote for both adult and pediatric pulse oximeters.
