Pharmaceutical Supplies

Questions received from Medpharm 08/29/17

Question: 1

We would like to inquire if excess of products will be applicable in terms of unit of measure. It is with great strides that we provide products respectfully upon request, however we have noticed that some items require a very few amount in quantity such as "each", however we are providing a cost based on what we serve which will be at a case cost depending on the item. Will this be applicable? See attached listing of items with concerns.

Note: The following items will remain status quo: 8, 9, 11 thru 14, 27, 79, 82, 161, 162, 176, 177, 178, 203, 206, 207, 208,

Response: See attached "Amendment 6"
