**INVITATION FOR BID GSA-085-17**  
*SERVICE; REPAIR; TESTING; AND MAINTENANCE  
OF FIRE ALARM AND FIRE SPRINKLER SYSTEM(S)*

**Questions received from G4S Security Systems, (Guam), Inc. 09/11/17**

**Question: 1**

G4S is not the vendor of the existing fire alarm equipment currently installed at DOC, therefore we cannot provide the requested scope of work. However, if GSA will allow G4S to replace the existing equipment, we would be able to provide a proposal according to your request. Is GSA open to this idea?

**Response: No.**

**Question: 2**

Are there as-built drawings of the fire alarm system installation at DOC? Please provide us a copy if there is.

**Response: There are no "As-Built" drawings available.**

**Question: 3**

Coordination with a manufacturer takes time. Could we request for an extension of 30 days.

**Response: Yes. See attached "Amendment 2"**
