Manufacture/ supply and shipment to Guam of the air compressor requested, cannot be completed, delivered to Guam, within 45 days by the air compressor manufacturer Morrico Equipment represents.-

Response: See Amendment #3

Inquiry 2 Item 2.1 Trailer. Tandem axle Trailer (DOT Approved). Industry standard and the standard trailer offered by Morrico Equipment manufacturer for Model 250 cfm compressor, is a "single axle" trailer. Pls. confirm if the Tandem axle Trailer requested, is the correct requirement

Response: Single axle is acceptable

Inquiry 3 2.1 trailer. Please advise what is the content and specification required for a "harsh environment package" on the trailer mounted

Response: Galvanized single axle trailer will be required

Inquiry 4 Heavy Duty Cover for 250 CFM compressor.
Please confirm if this cover as an accessory is in addition to the enclosure/ cover installed as standard. Is the accessory Heavy Duty Cover required to be a flexible and removable accessory cover?

Response: Separate heavy duty removable cover is required

Questions submitted by Mid Pac Far East dated September 22, 2017

Inquiry 1 Our Manufacturer's 250cfm Portable Compressor is mounted on a Single Axle S/A Trailer. Please revise bid specs to allow S/A configuration.

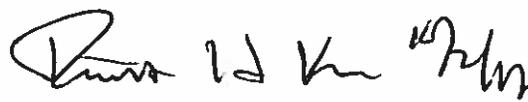

Response: Single axle is acceptable

Inquiry 2 The rated pressure of 125psi is not standard with four of the manufacturer's we looked up. Even the Sullivan Palatek 260PDDZ has a Rated Operating Pressure of 100psi and is on a S/A trailer.

Response: Rated Pressure of 100PSI, with working pressure range of 80 PSI to 125 PSI will be acceptable.

Inquiry 3 45- day delivery time is unreasonable, given that production is 45-60 days. Please change the spec to allow 100 days ARO delivery time

Response: See Amendment #3
