**INVITATION FOR BID GSA-022-19**  
***SCHOOL BUS PARTS & MISCELLANEOUS ITEMS***

**Questions received from MORRICO EQUIPMENT 05/15/19**

**Question: 1**

Requesting for postponement for the amended bid opening date of May 16, 2019 for the following reasons.

1. Amendment #1, original and revised, refer to Invitation for Bid GSA-022-18 and this is not the correct bid.

**Question: 2**

We also have a request in reference to the "Delivery" provision of 30 days.

1. Bus parts for chassis or body are "made to order" by the vendor and cannot be supplied in 30 days.
2. 30 Days delivery scheduled does not allow for shipment of parts to Guam by ocean freight which is most economically method. Air freight is the only shipping method to meet the 30-day delivery schedule and this will more than double the cost of parts for the government and people of Guam, who ultimately pay the government cost of doing business.

**Response:**

Refer to page 2 of 81 "Acknowledgement Receipt Form" The deadline for any questions and concerns was on April 30, 2019.

Note: The bid was advertised on April 24, 2019 and gave 7 days for questions or concerns from vendors.
