Invitation For Bid
GSA-038-23
22-Ton Excavator (Latest Model)

Questions and Concerns received from Fareast Equipment on May 11, 2023

- 1.) Is rock bucket attachment in addition to the standard GP bucket? If yes, how many inches wide is required for rock bucket?

Response: Refer to Amendment #3

- 2.) Is a hydraulic thumb mounted on stick the requirement or is a grapple bucket also acceptable as attachment? See below for photo of grapple bucket.

Response: Refer to Amendment #3

- 3.) Front blade on excavator are only available on mini excavators. Is the requirement a front blade that is attached to the stick? Please provide a picture of this requirement?

Response: Refer to Amendment #3

Questions and Concerns received from Morrico on May 12, 2023.

- 1.) Required Delivery Date 180 days upon receipt of purchase order. Due to the ongoing and continued world supply chain constraints and delays, manufacturers are experiencing delayed manufacture times. We request if the required delivery date, can be adjusted to read "270 days upon receipt of purchase order?"

Response: Refer to Amendment #3

- 2.) Is this bid request for a Track excavator or a wheel excavator? The bid specification is not clearly written and does not clearly state, which model excavator.

The specifications read

Transmission.

Tires. Wide Track.

Please clarify

Response: Refer to Amendment #3

- 3.) Please clearly clarify the attachment requested.

"Attachment Thumb Shell"

Please provide dimensions and description of this attachment.

Response: Refer to Amendment #3

Questions and Concerns received from Fareast Equipment on May 22, 2023.

- 1.) The bid spec for **Engine** reads "No less than 162 HP". - Will 159 HP be acceptable?

Response: No.

Please refer to bid specifications on page 35 of 38 as indicated.

Engine: No less than 162HP.

Must operate with fuel available on Guam

- 2.) The bid spec for **Controls** reads "The manufacturer's standard; with lockable control panel". Please clarify the need for a lockable control panel as units spec'd with an enclosed cab typically do not come with a lockable control panel

Response: - Refer to Amendment #3
