ITEM NO.	DESCRIPTION	QTY	UNIT	UNIT PRICE	PRICE EXTENSION
1.1	<b>22-Ton Excavator</b> (Latest Model) As per the following specifications:	1	ea	\$ _____	\$ _____

**GENERALS:**

These specifications have been written to describe minimum equipment and performance requirements to be supplied by the equipment manufacturer bidding. Reasonable test may be conducted upon delivery before acceptance.

The successful bidder shall furnish all necessary and desirable information instructions for the proper operation of the equipment.

The government reserves the right to accept and/or reject any and all bids, to waive any defects, irregularities, or specification discrepancies and to award the bid as council deems to be in the best interest of the government.

Each vehicle\equipment shall be new / unused, current model year or later production. **Shall meet all DOT, USEPA, OSHA and MSHA requirements for Guam.**

Each vehicle\equipment shall be supplied with all standard equipment and accessories indicated in manufacturer’s published literature/brochure unless specifically deleted as stated in this specification. Optional equipment necessary to meet the requirements of this specification shall be installed.

**Brand Names:** Manufacturers’ brands and stock/part numbers specified do not denote a preference for that make, but describe the level of quality and or performance necessary. Alternate brands found to be equal to or greater in quality and or performance to the brand specified may be accepted, however, the burden to prove equality shall rest with the bidder.
