Invitation For Bid
GSA-036-23
School Bus (60 Passenger) Type C – Latest Model

Questions and Concerns received from Auto Spot on June 9, 2023
Request for bid specifications to be amended:

1. Entrance door to have 34" clear opening-makes entrance and egress easier for all passengers

Response: Acceptable

2. 5/8" Composite Flooring - Resistant to moisture and will not rot. Also provides significant weight savings over plywood. Also termite resistant which is a big problem in Guam

Response: Acceptable

3. Stainless Steel Step Well – Provides durability over standard steel making an area that has a tendency to corrode quickly less susceptible to.

Response: Acceptable

4. One Piece Floor rubber – No Gaps in the floor between smooth an aisle when combined with the composite floor provide a durable lifetime of the bus solution.

Response: Acceptable- must meet FMVSS 302 standards

5. Battery Compartment – Batteries to be mounted in Peterbilt supplied box under the driver's step. The box is already provided in a very easily accessible area. There is no reason to move the batteries to a box when a box is provided.

Response: Specifications remain the same.

6. Doors, #6 - No Door to Left of the Driver – Requesting that this be removed as the Perbilt/Atlas will utilize the Driver's side door. By using a cutaway style tuck, we provide the driver easier ingress/egress, another exit point in case of an emergency as well as the ability to easily secure the bus.

Response: Specifications remain the same.

Please note: Follow up/Clarification to the Questions and Concerns responses dated August 14, 2023 must be submitted to the General Services Agency via email to gsaprocurement@gsadoa.guam.gov no later than 3pm, Wednesday, August 16, 2023

JoyJean Arceo
Acting Chief Procurement Officer*

*By appointment of Director of the Department of Administration effective July 26, 2023 through September 26, 2023.
