ITEM NO.	DESCRIPTION	QTY.	UOM	UNIT COST	TOTAL
1.0	**Long Wheel Base Mini Cargo Van (Latest Model)**	3	EA.	$_____	$_____

GENERALS:
These specifications have been written to describe minimum equipment and performance requirements to be supplied by the equipment manufacturer bidding. Reasonable test may be conducted upon delivery before acceptance.

The successful bidder shall furnish all necessary and appropriate information and instructions for the proper operation of the equipment.

The government reserves the right to accept and/or reject any and all bids, to waive any defects, irregularities, or specification discrepancies and to award the bid as council deems to be in the best interest of the government.

Each vehicle shall be new / unused, current or later model year production.

Each vehicle shall be supplied with all standard equipment and accessories indicated in the manufacturer's published literature / brochure unless specifically deleted as stated in this specification. Optional equipment necessary to meet the requirements of this specification shall be installed.

Brand Names: Manufacturer' brand and stock / part numbers specified do not denote a preference for that make, but specify the level of quality necessary. Alternate brands found to be equal to or greater to the quality of the brand specified may be accepted, however, the burden to prove equality shall rest with the bidder.

The subject specifications were drafted to allow for reasonable bid competition, however, needed to be tailored to meet the needs of the Government of Guam. The minimum requirements specified were established through market research of product availability and capabilities with reference and or recommendations from local dealerships. The specifications were based on the following makes and models: **latest model Ford Transit Connect LMB, Nissan NV200 Mini Cargo Van and Dodge Pro Master City Van.**
