Bid Form

Item No.	Description	QTY	UOM	Unit Price	Total
1.0	Pickup Truck 4WD, 4 Door, SR Double Cab (Latest Model), Strong tow to pull boats/trailers, as per the following specifications:	2	Each	\$ _____	\$ _____

GENERAL:

These specifications have been written to describe the minimum equipment and performance requirements to be supplied by the equipment manufacturer bidding. Reasonable tests may be conducted upon delivery before acceptance.

The successful bidder shall furnish all necessary and appropriate information and instructions for the proper operation of the equipment.

The vehicle shall be new/unused, current or later model year production.

All prices submitted shall be firm and inclusive of all associated costs necessary for delivery and acceptance, including documentation, processing, and administrative fees.

The vehicle shall be supplied with all standard equipment and accessories indicated in the manufacturer’s published literature/brochure unless specifically deleted as stated in this specification. Optional equipment necessary to meet the requirements of these specifications should be installed.
