2. Representation Regarding Contingent Fees

The contractor represents that it has not retained a person to solicit or secure a territorial contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies for the purpose of securing business.

3. Representation Regarding Ethical Standards for Government Employees and Former Government Employees

The bidder, offeror, or contractor represents that it has not knowingly influenced and promises that it will not knowingly influence a government employee to breach any of the ethical standards set forth in 5 GCA Chapter 5 Article 11 (Ethics in Public Contracting) of the Guam Procurement Act and in Chapter 11 of the Guam Procurement Regulations.

4. Restriction Against Contractors Employing Convicted Sex Offenders From Working at Government of Guam Venues

- (1) no person providing services on behalf of the contractor has been convicted of a sex offense under the provisions of Chapter 25 of Title 9 GCA or an offense as defined in Article 2 of Chapter 28, Title 9 GCA, or an offense in another jurisdiction with, at a minimum, the same elements as such offenses, or who is listed on the Sex Offender Registry; and
- (2) if any person providing services on behalf of the contractor is convicted of a sex offense under the provisions of Chapter 25 of Title 9 GCA or an offense as defined in Article 2 of Chapter 28, Title 9 GCA or an offense in another jurisdiction with, at a minimum, the same elements as such offenses, or who is listed on the Sex Offender Registry, that such person will be immediately removed from working at said agency and that the administrator of said agency be informed of such within twenty-four (24) hours of such conviction.

Article II – Debarment and Suspension

5. Debarment and Suspension. Code of Federal Regulations (CFR) 2 CFR Part 200 §200.214

(Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The Awardee certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal, state, or local government. If, at any time during the term of this contract, the Contractor becomes debarred or suspended, the Contractor shall immediately notify GSA in writing.

Article III – Delivery Terms

- 6. This is an "Indefinite Quantity Bid"** pursuant to Section 3119(i)(2) of the 2 GAR Procurement Regulations. The quantities reflected are **estimated** requirements projected within a twelve (12) month period. These amounts may increase during the term of this bid. However, regardless of the fluctuations of quantities, this bid shall be subject to the availability of funds.

7. Delivery.

One hundred twenty (120) days upon receipt of purchase order. Schedule time and quantity will be coordinated between the successful bidder and the requesting department on an as-needed basis. Partial completion will not be accepted. Successful bidder shall fully complete all requirements specified in the Contract Terms and Conditions and specification.

8. Contract Period.

The term of this contract is for a period of one (1) year on an as-needed basis upon availability of funds. Within this contract period of one (1) year the contract shall be reviewed every 6 months supported by a written determination for continued need. 2 GAR Div. 4 §3119(i) and §6101(5)(b).

Department of Public Works is required to order its actual requirements during the one (1) year period from the awarded bidder. 2 GAR Div. 4, §3119(i)(3); 5 G.C.A. §5235. The only exemptions to this actual-requirements assertion above are: A) when the agency's Procurement Officer approves a finding that the supply or service available under the contract will not meet a nonrecurring, a special need of the procuring agency; or B) when supplies are procured incidental to the Government of Guam's own programs as may be available that can satisfy the need.

9. Additional Requirement.

If other agencies within the Government of Guam have the same requirements, the effective price of said bid shall be used as a confirmed price. This additional requirement shall not exceed the term of this bid.

10. Funding Status and IDIQ Intention.

The using agency may receive additional funding for similar purchase in the near future and thus intends to utilize an IDIQ requirement(s) contract.

The government is in need of an indefinite quantity ("IDIQ") contract because, although expected, additional funds for similar and/or identical items is not at this time definite and it would expend unnecessary government resources to publish, solicit, and analyze an additional IFB simply because of the confirmed influx of funding within this one (1) – year IDIQ period. Other forms of contract will not suffice because they are not the official method for purchasing additional identical items at the same price as in the original accepted bid. 2 GAR Div. 4 §3119(i) and §6101(5)(b).

Article IV – Invoicing and Payment

11. Payment.

Payment shall be made within thirty (30) days after receipt and acceptance of goods and/or services for vehicles formally released by DPW to the Contractor and properly documented as disposed of in compliance with the contract requirements. The Contractor shall be responsible for collecting, transporting, and disposing of the vehicle from the DPW-designated location unless otherwise directed in writing by DPW.

12. Fees and Charges.

No additional surcharges, fuel adjustments, environmental fees, shipping surcharges, or other supplemental charges shall be permitted.

13. Invoicing/Billing Requirements.

Invoices and payments shall be submitted after properly documented as disposed of in compliance with the contract requirements. and lawfully disposed of in accordance with the Specifications.

The Awardee shall submit an accurate invoice referencing the applicable Contract Number and Purchase Order. Each invoice must include a description of goods or services, quantities, and pricing consistent with the approved contract terms.

Each invoice shall include supporting documentation for every vehicle removed during the billing period.

Documentation must include, at a minimum:

- Date of removal
- Village and specific pickup location
- Vehicle description (make/model if identifiable)
- Physical condition at time of removal (intact or crushed/flattened)
- Destination processing, recycling, or disposal facility

Supporting documentation evidencing lawful final disposition, including a certificate of destruction or equivalent proof where applicable, shall accompany each invoice.

Incomplete, inaccurate, or unsupported invoices may be returned without payment.

Article V – Other Requirements

14. Transfer.

Upon documented acceptance of each vehicle, responsibility and liability for disposal operations shall transfer to the Awardee.

15. Responsibility.

The Awardee shall assume full responsibility for all processing, recycling, and lawful disposal of vehicles in compliance with applicable Guam and Federal environmental laws.

The Awardee shall be responsible for all field collection operations and shall comply with all applicable traffic control and safety requirements during vehicle removal activities.

16. Permits.

The Government of Guam shall not be responsible for delays, costs, or performance impacts arising from the Awardee's failure to secure necessary permits, environmental approvals, shipping arrangements, or disposal capacity.

17. Statutory Notice.

Determination of abandonment status and compliance with statutory notice requirements remain solely with DPW and authorized enforcement officials. The Awardee shall have no enforcement authority and shall act only upon written direction from DPW.

Article VI – General Provisions

18. 2 GAR, Div. 4 § 6101 (4) Stop Work Order Clause.

(c) Clause.

(2) Cancellation or Expiration of the Order. If a stop work order issued under this clause is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or contract price shall be modified in writing accordingly, if:

(i) the stop work order results in an increase in the time required for, or in the contractor's cost properly allocable to, the performance of any part of this contract; and

(ii) the contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.

(3) Termination of Stopped Work. If a stop work order is not cancelled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.

(4) Adjustments of Price. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract."

19. 2 GAR, Div. 4 § 6101 (6) Price Adjustment Clause.

"PRICE ADJUSTMENT

(a) Price Adjustment Methods. Any adjustment in contract price pursuant to a clause in this contract shall be made in one or more of the following ways:

(i) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;

(ii) by unit prices specified in the contract or subsequently agreed upon;

(iii) by the costs attributable to the event or situation covered by the clause, plus appropriate profit or fee, all as specified in the contract or subsequently agreed upon;

(iv) in such other manner as the parties may mutually agree; or

(v) in the absence of agreement between the parties, by a unilateral determination by the Procurement Officer of the costs attributable to the event or situation covered by the clause, plus appropriate profit or fee, all as computed by the Procurement Officer in accordance with generally accepted accounting principles and applicable sections of the regulations promulgated under Chapter 7 (Cost Principles), subject to the provisions of Chapter 9 (Legal and Contractual Remedies) of the Guam Procurement Regulations.

(b) Submission of Cost or Pricing Data. The contractor shall provide cost or pricing data for any price adjustments subject to the provisions of §3118 (Cost or Pricing Data) of the Guam Procurement Regulations.

18. 2 GAR, Div. 4 § 5106 (8) Claims Based on the Director of Public Works or the Head of the Purchasing Agency's Actions or Omissions Clause.

"CLAIMS BASED ON THE DIRECTOR OF PUBLIC WORK'S OR THE HEAD OF A PURCHASING AGENCY'S ACTIONS OR OMISSIONS

(1) Notice of Claim. If any action or omission on the part of the Director of Public Works or the head of the Purchasing Agency, or designee of such officer, requiring performance changes within the scope of the contract constitutes the basis for a claim by the contractor for additional compensation, damages, or an extension of time for completion, the contractor shall continue with performance of the contract in compliance with the directions or orders of such officials, but by so doing, the contractor shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:

(a) the contractor shall have given written notice to the Director of Public Works, the head of the Purchasing Agency, or designee of such officer:

(i) prior to the commencement of the work involved, if at that time the contractor knows of the occurrence of such action or omission;

(ii) within 30 days after the contractor knows of the occurrence of such action or omission, if the contractor did not have such knowledge prior to the commencement of the work; or

(iii) within such further time as may be allowed by the Procurement Officer in writing.

This notice shall state that the contractor regards the act or omission as a reason which may entitle the contractor to additional compensation, damages, or an extension of time. The Procurement Officer or designee of such officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Procurement Officer or designee of such officer.

(b) the notice required by Subparagraph (a) of this Paragraph describes as clearly as practicable at the time the reasons why the contractor believes that additional compensation, damages, or an extension of time may be remedies to which the contractor is entitled; and

(c) the contractor maintains and, upon request, makes available to the Procurement Officer within a reasonable time, detailed records to the extent practicable, of the claimed additional costs or basis for an extension of time in connection with such changes.

(2) Limitations of Clause. Nothing herein contained, however, shall excuse the contractor from compliance with any rules of law precluding any territorial officers and any contractors from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the contract.

(3) Adjustments of Price. Any adjustment in the contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract."

19. 2 GAR, Div. 4 § 6101 (8) Termination for Default Clause.

"TERMINATION FOR DEFAULTS

(a) Default. If the contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof, otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Procurement Officer may notify the contractor in writing of the delay or non-performance and if not cured in ten days or any longer time specified in writing by the Procurement Officer, such officer may terminate the contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part the Procurement Officer may procure similar supplies or services in a manner and upon terms deemed appropriate by the Procurement Officer. The contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

(b) Contractor's Duties. Notwithstanding termination of the contract and subject to any directions from the Procurement Officer, the contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the contractor in which the territory has an interest.

(c) Compensation. Payment for completed supplies delivered and accepted by the territory shall be at the contract price. Payment for the protection and preservation of property shall be in an amount agreed upon by the contractor and the Procurement Officer; if the parties fail to agree, the Procurement Officer shall set an amount subject

to the contractor's rights under Chapter 9 (Legal and Contractual Remedies) of the Guam Procurement Regulations. The territory may withhold from amounts due the contractor such sums as the Procurement Officer deems to be necessary to protect the territory against loss because of outstanding liens or claims of former lien holders and to reimburse the territory for the excess costs incurred in procuring similar goods and services.

(d) Excuse for Nonperformance or Delayed Performance. Except with respect to defaults of subcontractors, the contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the contractor to make progress in the prosecution of the work hereunder which endangers such performance) if the contractor has notified the Procurement Officer within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the territory and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the contractor shall not be deemed to be in default, unless the supplies or services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the contractor to meet the contract requirements. Upon request of the contractor, the Procurement Officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the territory under the clause entitled (in fixed-price contracts, "Termination" for Convenience in cost-reimbursement contracts) "Termination". (As used in this Paragraph of this clause the term "subcontractor" means subcontractor at any tier.)

(e) Erroneous Termination for Default. If, after notice of termination of the contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contractor was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the territory, be the same as if the notice of termination had been issued pursuant to such clause. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the territory, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor's rights under Chapter 9 (Legal and Contractual Remedies) of the Guam Procurement Regulations.

(f) Additional Rights and Remedies. The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract."

20. 2 GAR, Div. 4 § 6101 (10) Termination for convenience Clause.

"TERMINATION FOR CONVENIENCE

(a) Termination. The Procurement Officer may, when the interest of the territory so require, terminate this contract in whole or in part, for the convenience of the territory. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.

(b) Contractor's Obligations. The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor's right, title, and interest under terminated orders or subcontracts to the territory. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

(c) Right to Supplies. The Procurement Officer may require the contractor to transfer title and deliver to the territory in the manner and to the extent directed by the Procurement Officer:

(1) any completed supplies; and

(2) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract.

The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the territory has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in

accordance with the standards of Uniform Commercial Code of Guam, §2706 (U.S.C.G. §2706 is quoted at the end of this §6101(10)(d) Utilization of this Section in no way implies that the territory has breached the contract by exercise of the Termination for Convenience Clause.

(d) Compensation.

(1) The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data to the extent required by §3118 (Cost or Pricing Data) of the Guam Procurement Regulations bearing on such claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the contractor, if at all, an amount set in accordance with Subparagraph (c) of this Paragraph.

(2) The Procurement Officer and the contractor may agree to a settlement provided the contractor has filed a termination claim supported by cost or pricing data to the extent required by §3118 (Cost or Pricing Data) of the Guam Procurement Regulations and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the territory, the proceeds of any sales of supplies and manufacturing materials under Paragraph

(3) of this clause, and the contract price of the work not terminated. (3) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(i) contract prices for supplies or services accepted under the contract;

(ii) costs incurred in preparing to perform and performing the terminated portion of the work plus a fair and reasonable profit on such portion of the work (such profit shall not include anticipatory profit or consequential damages) less amounts paid or to be paid for accepted supplies or services; provided, however, that if it appears that the contractor would have sustained a loss if the entire contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;

(iii) costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph (c) (ii) of this Paragraph;

(iv) the reasonable settlement costs of the contractor including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the contract for the termination and settlement of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this contract. The total sum to be paid the contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(4) Cost claimed, agreed to, or established under Subparagraph (b) and (c) of this Paragraph shall be in accordance with Chapter 7 (Cost Principles) of the Guam Procurement Regulations.”

In the event of termination in whole or in part the government may procure similar supplies or services in a manner and upon terms deemed appropriate by the government. The Contractor shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

b) Termination for Convenience: The government, when the interests of the territory so required, terminate this Contract in whole or in part, for the convenience of the territory. The government shall give written notice of the termination to the Contractor specifying the part of the Contract terminated and when termination becomes effective. The Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Contract will stop work to the extent specified. The Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The government may direct the Contractor to assign the Contractor's right, title, and interest under terminated orders or subcontracts to the territory. The Contractor must still complete the work not terminated by the notice of termination and may incur obligations as necessary to do so.

The Contractor shall submit a termination claim specifying the amounts due because of the Termination for Convenience together with cost or pricing data to the extent required by 2 GAR, Division 4, Chapter 3 §3118. If the Contractor fails to file a termination claim within one year from the effective date of termination, the government may pay the Contractor, if at all, an amount set in accordance with this section. The government and the Contractor may agree to a settlement provided the Contractor has filed a termination claim as required herein and the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the territory and the contract price of the work not terminated. Absent agreement of a settlement, the government shall pay the Contractor the following amounts: with respect to all contract

These costs must not include costs paid in accordance with subsection (a) above; (c) the reasonable settlement costs of the Contractor including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the contract and for the termination and settlement of subcontracts thereunder. The total sum to be paid the Contractor under this subsection shall not exceed the total contract price plus the reasonable settlement costs of the Contractor reduced by the number of payments otherwise made, the proceeds of any sales of supplies or materials under this section, and the contract price of work not terminated.

- c) Condition of Termination: Notwithstanding the foregoing, the cessation of services for people requiring services shall be contingent upon the Government obtaining a substitute provider for the services and the contractor shall cooperate by taking all reasonable and necessary steps to ensure that services are not interrupted and transferred to the succeeding provider. (2) That I have read and understand the provisions of 5 GCA § 5801 and § 5802 which read:

§ 5801. Wage Determination Established.

In such cases where the government of Guam enters into contractual arrangements with a sole proprietorship, a partnership or a corporation ("contractor") for the provision of a service to the government of Guam, and in such cases where the contractor employs a person(s) whose purpose, in whole or in part, is the direct delivery of service contracted by the government of Guam, then the contractor shall pay such employee(s) in accordance with the Wage Determination for Guam and the Northern Mariana Islands issued and promulgated by the U.S. Department of Labor for such labor as is employed in the direct delivery of contract deliverables to the government of Guam.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$5.92 per hour, up to 40 hours per week, or \$236.80 per week or \$1,026.13 per month

HEALTH & WELFARE EO 13706: \$5.42 per hour, up to 40 hours per week, or \$216.80 per week, or \$939.46 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706, Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; and 4 weeks after 3 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of eleven paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Juneteenth National Independence Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: This wage determination does not apply to any individual employed in a bona fide executive, administrative, or professional capacity, as defined in 29 C.F.R. Part 541. (See 41 C.F.R. 6701(3)). Because most Computer Systems Analysts and Computer Programmers who are paid at least \$27.63 per hour (or at least \$684 per week if paid on a salary or fee basis) likely qualify as exempt computer professionals under 29 U.S.C. 213(a)(1) and 29 U.S.C. 213(a)(17), this wage determination may not include wage rates for all occupations within those job families. In such instances, a conformance will be necessary if there are nonexempt employees in these job families working on the contract.

Job titles vary widely and change quickly in the computer industry, and are not determinative of whether an employee is an exempt computer professional. To be exempt, computer employees who satisfy the compensation requirements must also have a primary duty that consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which

requires the same level of skills. (29 C.F.R. 541.400).

Any computer employee who meets the applicable compensation requirements and the above duties test qualifies as an exempt computer professional under both section 13(a)(1) and section 13(a)(17) of the Fair Labor Standards Act. (Field Assistance Bulletin No. 2006-3 (Dec. 14, 2006)). Accordingly, this wage determination will not apply to any exempt computer employee regardless of which of these two exemptions is utilized.

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am.

If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**** HAZARDOUS PAY DIFFERENTIAL ****

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of ""wash and wear"" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work,

there is no requirement that employees be reimbursed for uniform maintenance costs.

**** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS ****

The duties of employees under job titles listed are those described in the ""Service Contract Act Directory of Occupations"", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

**** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) ****

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.
- 6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the ""Service Contract Act Directory of Occupations"" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1)).""
