Cargo Van (Latest Model)

Questions and Concerns received from Monster Auto Corp dba: Guam Auto Spot on November 10, 2026.

1. Could you please confirm if a brand-new 2025 model would be acceptable?

   Response: No, must be latest model year.

Questions and Concerns received from Triple J Enterprises, Inc. on November 11, 2026.

2. In regard to the maintenance and warranty specifications, please understand the industry standard manufacturer's warranty is actually 3 years / 36,0000 mites bumper to bumper limited warranty and 5 years / 60,000 miles for a powertrain warranty.

   We request the 'Warranty" requirement be revised accordingly to read "3 years / 35,0000 miles bumper to bumper (new vehicle limited) warranty and 5 years / 60,000 mites for a powertrain warranty". This change would also be compatible with the manufacturer's recommended preventive maintenance of 5 years or 60,000 mites, whichever comes first, referenced on page 48 as well under "Service Required"

   Response: Refer to Amendment #1.

Please Note: Follow up/Clarification to the Questions and Concerns responses dated 11/16/2026 must be submitted to the General Services Agency via email to bids@gsadoa.guam.gov no later than 5pm, Tuesday, November 17, 2026.
